

DISCLOSURE FOR INVESTIGATIVE CONSUMER REPORT

Bi-Petro, Inc. ("The Company") may request an investigative consumer report about you from a third-party consumer reporting agency, in connection with your employment or application for employment (including independent contractor or volunteer assignments, as applicable). An "investigative consumer report" is a background report that includes information from personal interviews (except in California, where that term includes background reports with or without information obtained from personal interviews). The most common form of an investigative consumer report in connection with your employment is a reference check through personal interviews with sources such as your former employers and associates, and other information sources. The investigative consumer report may contain information concerning your character, general reputation, personal characteristics, or mode of living. You may request more information about the nature and scope of an investigative consumer report, if any, by contacting the Company.

These reports will be obtained by DISA Global Solutions Inc., 10900 Corporate Centre Drive, Suite 250, Houston, TX 77041, 800-752-6432, www.disa.com.
